

Your mobile secretary Eileen

Do your employees spend a lot of time on the road? Athlon Car Lease can help you to make their travel time more productive by providing them with a mobile secretary Eileen.

Efficiency on the road

You know the situation only too well: you're driving on the motorway and would like to make a business call (hands free of course), but you don't have the number at hand. Just as you drive off, you realise that you forgot to send an important email. After visiting a customer, you suddenly remember a number of important things which you can't write down because you're behind the wheel of your vehicle. Your lease vehicle drivers are also faced with these situations on a daily basis. Athlon Car Lease has the solution to all these problems. We think it's important that your lease vehicle drivers spend their time as efficiently as possible when they are on the road or in a traffic jam.

Productive and cost-efficient

Research shows that lease vehicle drivers spend their time completing a variety of tasks while behind the wheel. The ideal solution would be for someone else to take care of things for them. For that reason,

Athlon Car Lease is working with Eileen, a remote secretary. Eileen is a receptionist who can provide your lease vehicle drivers with tips, help, and practical information while they are on the road, 24 hours a day, 7 days a week. This way, we can help you make their (driving) time more productive. Moreover, lease vehicle drivers often make use of your company back office for this sort of support. With Eileen, this is no longer necessary. Eileen not only helps your employees on the road, your employees at the office also work more efficiently. That provides you with significant cost advantages.

Extra assistance on the road

Potentially, Eileen can help anywhere, within practical limits. She can connect calls, provide motorway speed camera locations and traffic jam information, or look something up online. In addition, the mobile secretary can make a meeting report of a customer visit, take dictation and send emails, call customers, reserve parking spaces, etc. Eileen can also indicate

the location of the nearest train station and departure times. This facilitates a combination of vehicle and train travel for your lease vehicle drivers. This service fits in well with corporate social responsibility.

10% discount

Athlon Car Lease now offers your lease vehicle drivers a subscription to Eileen at a reduced rate. You will receive a 10% discount and will pay only € 4.50 (ex. VAT) per month.

More information and registration

For more information please contact your account manager. Your lease vehicle drivers can register individually in the lease vehicle driver section of our website www.athloncarlease.nl. Would you like to register several drivers at once? We can offer you an additional, attractive group discount. This offer is also available on our website.
